

# Elements Primary School

16th November 2018

Dear Parents,

We have, yet again, had lots of visitors to Elements. We have welcomed a number of prospective parents to look round our school which is very exciting. We are hoping there are some of you who may be willing to chat to some of these prospective parents at an informal event to tell them about our school from your point of view. Please do let us know if you are willing to do this.

We also welcomed Shonette Bason to school, the creator of 'Dough Disco'. Shonette is a leading expert in Early Years who we are thrilled to have working with us at Elements. The children were so surprised to see her in school to do a live 'Dough Disco' session with them. It was as if she had jumped out of the screen to join them!

Thank you so much for all your support with Children in Need. Our children's outfits were absolutely amazing - every, single one! Well done everyone!

Miss S Horsbrough  
Executive Principal

## School Photographs

Monday 26th November

A photographer will be in school on Monday 26th November to take the children's individual school photographs. There will also be an opportunity for the children to have their photograph taken with their siblings as well if you so wish.

Photos will be taken from 7.30am in the hall for sibling pictures. Children's individual photographs will be taken after 9am.

As the hall will be needed for the photographs to be taken there will only be a limited breakfast club available.

### Elements 2019

If you know of anyone looking for a primary school place for September 2019 please let them know about us!  
They can book a visit to visit school any time.  
They can call school on 0113 532 7089 or  
Email on [office@elementsprimaryschool.co.uk](mailto:office@elementsprimaryschool.co.uk)

### Parent Access

We are aware that some of you are struggling to access our school systems because you do not have a tablet or computer at home.

We will therefore be providing a parent access computer in school for you to use. Please arrange to do this via the school office if access is needed during the school day.

If you want to make use of the computer at 9am or 3pm pick up and drop off times you do not need to book to do this.

### Thank you!

The sale of Pudsey ears, wristbands added to the donations made for being able to dress up last Friday raised over £100 for Children in Need.

Thank you so much for all your support and generosity.

### Parent Ambassadors

Parents talking to parents is an important source of information.  
Do you think Elements Primary School is worth 'shouting' about?  
Would you be interested in meeting new prospective parents to tell them about us?

If you are interested in speaking to new parents in an informal setting and sharing your experiences of our school please let us know by contacting the school office.
