Dear Parents,

What a fantastic week we have had at Elements Primary this week! Our children have had another set of 'firsts'. They have had their first visits to Flying Start and Touchdown clubs, they have had their first phonics lesson, and they have had their first indoor play! We are so proud of them and their behaviour. Lunchtimes and 'tidy team' times are particularly lovely to see as this is when our children show us just how independent they are and how well they can manage themselves.

Can I say a huge well done to both you and your children. We have achieved 100% attendance this week which is an amazing achievement for Reception children in their 2nd week of school. I hope we can do this again next week! An amazing start!

Miss S Horsbrough  
Executive Principal
