Dear Parents,

I can hardly believe the end of the week is here again already! We have had a super week at school and are glad so many of you have been able to join us for our events.

Thank you firstly to all those of you who joined us for our Phonics workshop on Thursday. We had 19 attendees which is a great response. Thank you to those who have given us feedback online. It is always helpful to know if we are offering the workshops that are needed.

Another thank you to those of you who attended and donated to our Macmillan coffee morning. We were thrilled with the gorgeous baked goods you shared - they were delicious!
