

# Elements Primary School

6th January 2019

Dear Parents,

Happy New Year! I hope you had a peaceful and happy Christmas.

All too quickly we are back for our second term and we have lots of things planned.

Firstly we are still looking for a few parents who would be willing to chat to parents who are interested in sending their children to Elements in September. If you have any time on Thursday 10th either at drop off time or at 6pm to come for a coffee, a cake and a chat then please do let us know. I am sure our prospective parents would be very grateful. Please invite anyone you know who is looking for a place for their child for September to come along. We can't do it without you!

We are also holding a meeting for you regarding our Reception residential in July. Do come along at either 9am or 6pm on the 17th to find out more.

As you know our next WOW week will be the week beginning the 21st January. During this week the children will be experiencing lots of exciting activities around homes, houses and places to live. On the Wednesday of this week we have a 'den building' expert coming into to school to work with our children as part of their outdoor learning. Please do come along and join in with your child on this day. Diamonds Class will be having their session in the morning and Stars Class will be in the afternoon. Exact times will be available nearer the time but please do put this date in your diary!

Welcome back everyone, we are excited to share the Spring term with you.

Miss S Horsbrough

Executive Principal

## Mary's Knitting DVD

We are in the process of having our Christmas Nativity burned to a DVD for you all. The children will bring these home when they are ready.

There will be no charge for the DVD.

### Parent Ambassadors

Parents talking to parents is an important source of information.  
Do you think Elements Primary School is worth 'shouting' about?  
Would you be interested in meeting new prospective parents to tell them about us?

If you are interested in speaking to new parents in an informal setting and sharing your experiences of our school please let us know by contacting the school office.

#### Reading Books

Please remind your child to bring their reading book to school every day.

If you hear your child read at home don't forget to make a note in their reading log book.

Thank you!

#### REMINDER

BEFORE AND AFTER SCHOOL CLUBS NEED TO NOW BE BOOKED THROUGH THE ARBOR PARENT PORTAL.

THIS IS VITAL FOR US TO KNOW WHO WILL BE ATTENDING.
