

Elements Primary School

25th February 2019

Dear Parents,

Welcome back! We hope you have had a fantastic half term break.

This next five weeks have lots of events happening so please do keep an eye on the newsletter, app and website for information.

Please can I encourage everyone to complete their consents on Parent Pay for trips. Could you also ensure your child is booked onto any curriculum clubs or for Touchdown via the parent portal. It is very important that we know who is attending these each day.

Thank you very much.

NO DOGS ALLOWED

Please can we ask that you do not bring dogs onto the school premises. As a school that has a school dog this may seem a strange request. However, Molly has had an assessment to be allowed to be a school animal and has received special training. We are also insured to have her specifically in school. Unfortunately we are not covered in the same way for other animals.

Thank you for your understanding in this matter.

REMINDER

Please ensure that each piece of your child's clothing is labelled with their name. As you can imagine how many identical items there are in school and so if they get mixed up it is very difficult to match the right piece of clothing to the right child.

Thank you for your support with this!

WORLD
**BOOK
DAY**
7 MARCH 2019

WORLD BOOK DAY

Thursday 7th March

Our theme this year is
'Bedtime Stories'

To celebrate World Book Day we would like the children to all think about their favourite bedtime story. They can then bring this to school to share wearing their pyjamas. They can even bring a bedtime cuddly toy if they have one.

We look forward to celebrating a love of books and reading with our children on this day.

Additional Adults in the Playground.

Please can we ask that only those adults who need to, come into the school playground at the end of the school day.

It is very difficult for us to monitor who should and shouldn't be on the premises if there are additional adults who we don't know.

It also makes it difficult for us to see who has arrived for picking up if there lots of additional adults crowding the playground.

Thank you for your understanding in this matter. It is a small request but will go a long way to helping us safeguard our children.

Thank you
