

Elements Primary School

16th June 2019

Dear Parents,

Our first full week of the final half term has been as busy but as successful as ever. Miss Turner and I have enjoyed meeting many more of our new children and families through home visits. We are very much looking forward to having them join us in September.

We welcomed back the Local authority moderators who came to look at the work of children who may exceed the age related expectations for Reception. We are thrilled that at least 15% of our children are on track to achieve this very difficult to reach standard.

We are very excited that we have been nominated for a technology award by Edufuturists. We are in the final four schools nominated for 'Primary School of the Year'. I believe we are the smallest school in the final and so would appreciate it greatly if you could vote for us.

Please follow this link to vote <https://www.edufuturists.com/>

Miss S Horsbrough
Executive Principal

Choosing School Lunches

Please can we ask that you make your selection for your child's school lunches by Wednesday at 1pm each week.

It is important we have correct numbers by then so that accurate orders can be made for ingredients and meals. This can be done via Parent Pay.

Thank you.

Attendance

95.9% 😞

Our Target

97%

JUNK MODELLING

Thank you for all those of you who have saved and donated empty containers and boxes for our junk modelling.

We now have enough to last us until the end of the year so politely ask that no more are brought to school.

RED WORDS

You will have seen on Friday that children have brought home some flash cards. These are known as 'Red words'. 'Red words' are tricky for children to learn as they can't be sounded out using their phonics

We are looking for children who can read and write all these words.

Children who can read them all choose a prize from the class prize box.

Children who can read and write these words will receive a Principal's Award badge.

Nell Bank Residential – Reminder

Our residential is now only a few weeks away. In order for us to make final arrangements please do make your payments via Parent Pay. If you are going to be changing any of your choices e.g. day trip to overnight or vice versa we need these to be finalised by Friday 7th June. If we are not notified we will assume you will be keeping the same option as is currently displayed on Parent Pay.

Please be aware that if you want to pay in cash you can get a bar code from school and pay where you see the Paypoint sign.

Thank you for your cooperation.

There will be a final parent's meeting on Tuesday 25th June at 9am/5.30pm

Year 1 Uniforms

We will be giving you a new sweatshirt for your child ready for them to start Year 1. In order to do this we need the size you require. Jumpers come in sizes 3/4 5/6 or 7/8

We have some samples in the office if you need your child to try one on. Please let us know the size you require.

The children in Year 1 will also need a new PE top. These will be in their new class colour. These also need to be ordered at a cost of £4.99 each. You can either order these through school or via the Uniform provider website.

<http://www.designschooluniform.co.uk>

PLEASE LET US HAVE THESE SIZES AS SOON AS POSSIBLE SO WE CAN PLACE OUR ORDER IN TIME. SO FAR ONLY 3 CHILDRENS SIZES HAVE BEEN SENT TO SCHOOL.

IT WOULD HELP US GREATLY IF WE COULD HAVE THIS INFORMATION AS SOON AS POSSIBLE

Arbor App

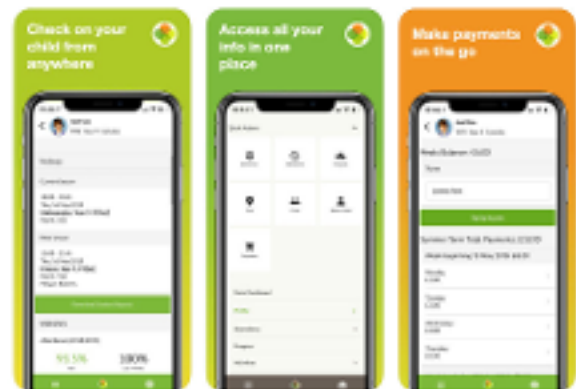

We are very pleased to share that Arbor, the company that provides our school information system has now released an app especially for parents.

This means you can now access the parent portal straight on your phone without any of the issues you may have had accessing it via the website.

To access the app parent portal just log in using the same details that you have used all year.

You will be able to do all the same things as you can on the web including updating your details, booking clubs, parents evening appointments etc

Download is available for both Apple and Android phones.

Reminder

Please can all children return their PE kits to school this week ready for their PE lessons this week.
