Creative • Unique • Innovative

Newsletter -19th November

Dear Parents,

It has been another fantastic week at Elements. Our children have been busy learning about 'innovation'. Throughout their lessons the children have been showing their own creative and innovative ideas.

I would like to thank all of the parents who attended our 'Children in Need' coffee morning this morning. We enjoyed lots of delicious treats and hot drinks together; it still feels so special that we are able to meet in our beautiful building! Thank you to those of you who have donated baked goods this week. So far the money raised in school for 'Children in Need' is over £430 (and counting). Thank you to everyone who has helped make this happen - we have made a real difference for lots of children and charities.

We are missing Miss Horsbrough who is poorly at the moment. We wish her a speedy recovery and look forward to seeing her back at school soon. I would like to take this opportunity to personally thank our amazing staff team for their continued efforts and hard work this term. A lot of what they do is unseen and they do this because they care for our children and our community.

We are very quickly approaching Christmas time. This newsletter highlights information regarding our Christmas Fair, Christmas performances and Christmas parties and festivities.

Have a wonderful weekend.

Best wishes,

Mrs Martin

## TOYS IN SCHOOL

Please do not allow your child to bring toys, games or other items into school. If they become lost or broken we cannot replace them. It can also create tension between the children if items get touched or taken. Any items brought in will be collected by staff and returned at the end of the day.

Thank you for your support with this.

If you are buying the raffle tickets please keep one half of the strip for your records and return the other half with your name on the back and the money for the tickets in the envelope
