ELEMENTS PRIMARY SCHOOL

Creative • Unique • Innovative

Dear All,

WOW – what a star-studded week it has been here at Elements. All of our children have made us so proud in their Christmas Performances: from Year 3 signing, singing and showing off their poems, to Year 2 making us smile from ear to ear, to Year 1 beautifully representing the Christmas story, and Reception leaving us speechless after the 'Wriggly Nativity'. Any type of 'show' isn't easy to produce and it takes a great deal of work from both children and staff to make it happen. Thank you for all of your support in helping children learn songs, lines and dance moves! It has made our Christmas shows so special this year.

I'd like to thank you all once again for your support of school. As the events around the COVID pandemic continue to unfold, we will do our best to communicate any changes in school with you as soon as possible. If you have any questions or queries please do contact the office. We have a team of very kind and very dedicated staff who ensure that our school runs smoothly on an administrative level. They will be happy to help you with any issues or queries you may have. Thank you to those of you that continue to be kind to staff as they try to help all of our children and families. They do a fantastic job.

We are almost at the end of this term, and this year! I don't know where all the time has gone. This final week before the holidays will be full of fun and excitement for the children. Please see the newsletter below to find dates on Christmas Dinner Day, Christmas Parties and Christmas Jumper Day. Children can wear something special (or non-uniform) for the day that their party is on.

Have a restful weekend.

Best wishes,

Mrs L Martin
