

ELEMENTS PRIMARY SCHOOL

Creative • Unique • Innovative

Newsletter – 14th January

Dear All,

We have had a fantastic week in school. Our teachers have been carrying out some assessments of the children and it is clear that our pupils continue to make great progress. It was very special to see Reception – our newest members of the Elements Family – busy learning on their Google Classroom.

I would like to thank you once again for your patience and support around difficulties we are facing around COVID and staffing. As you know, we do our very best to keep all aspects of school open, including wrap-around activities. Thank you for your help in ensuring that we keep safe. I am sure you will join me in sending lots of well wishes to our teachers and pupils currently off school. We miss you all!

We are very excited for WOW Week, starting on Monday. Reception and Year 1 will enjoy a 'dress up' day. Please see information below that will tell you what they will need. Year 2 and 3 are going to be working with a story illustrator; I wonder if you can already think of some story ideas...? We are going to have a fabulous time. You can see a full itinerary following the link below.

After WOW Week the children will be moving into their new topic, 'Lost in a Book'. Our teachers have worked hard to update the Elements Learning Hub with all the information around their new learning. You can find the link to that on our website, or in this newsletter.

I hope you have a restful weekend.

Best wishes,

A handwritten signature in black ink, appearing to read 'Mrs Martin'.
