

ELEMENTS PRIMARY SCHOOL

Creative • Unique • Innovative

Our autumn 1 half term has certainly been an extremely busy one filled with huge highlights across both of our sites.

Both Harvest Festivals this week have been exemplary – showcasing just how wonderful our pupils are – promoting our focused work on oracy.

Our children have certainly demonstrated how settled they are in our classrooms and have made a great start to the academic year.

Each half term class teachers meet for pupil progress meetings with senior staff – we have been delighted with the progress pupils are making and cannot commend our staff teams enough for their dedication to our pupils.

Our community hubs have launched also this week – what beautiful spaces to support our families and community. Please do get in touch if you know of any local services, charities or organisations which may want to use this space free of charge – we are here to help.

In other amazing news – you may have all noticed Miss Brady's blossoming bump – we are delighted to announce that she is expecting her second baby just before Christmas. I am sure you will join me in congratulating Miss Brady's family.

In other staffing news please read the attached letter.
Have a wonderful and restful two week October break.

We're proud to announce the opening of our brand-new Community Hub this year – a welcoming space at the heart of Elements Primary, designed to bring people together.

Whether you're looking for information, a friendly face, support, or a place to learn and grow, the Hub is here for you. From community events to quiet conversations, this space is all about connection and support.

This is more than just a room – it's a pillar of our community, built to unite, inspire, and uplift. We want the Hub to be a space where everyone belongs, and where help, hope, and new friendships can grow.

For more information or to get involved, please contact Mrs. Waring at the school Office or email her our enquiry line. – we'd love to hear from you!

Come and be part of something special – the heart of our community starts here. Everyone is welcome.
