

ELEMENTS PRIMARY SCHOOL

Creative • Unique • Innovative

This half term has been unbelievably busy – 5 week half terms are never easy and I wanted to start by thanking you all for your support.

All three schools have been 'hives of industry', in every year group, with exceptional learning taking place. Our teachers continue to go over and beyond to ensure that our children have the best possible opportunities and I am forever grateful to all of our teams for their unwavering dedication.

I wanted to really focus on the incredible work of our Year 6 teams, not only during SATs week, but in the run up to these assessments. Our children approached these tests with maturity, resilience and determination – this is down to the team wrapped around them – ensuring they were fully ready and equipped to succeed. Our teachers have done a phenomenal job for all of our pupils and I am in awe of their expertise and pure brilliance in guiding our children through an exceptionally difficult week with ease and compassion.

A special thank you must be extended to Mr Steven Wingfield, Executive Vice Principal. Mr Wingfield has led this assessment week across all three schools and ensured everything was planned and prepared (in meticulous detail) to ensure not only our pupils, but our staff felt supported. Everyone certainly succeeded!

Next term, as always, will be a busy one with phonics screening checks, multiplication tables checks (MTC) in Year 4, school trips, sports days, end of term productions and celebrations. Please keep an eye out for update emails and the dates below .

We are certainly looking forward to some much deserved brighter weather this half term – please do enjoy the break with your young person; this is precious time! Have a wonderful half term and please remember the school office inbox addresses if you require any support.

Miss Green

Dates for the calendar

Monday 1st June – School Opens

Monday 1st June – Year 6 Leavers Photographs

Tuesday 9th June – Summer Disco

Monday 15th June – Year 6 Herd Farm Residential

Wednesday 24th June – Reception Family Fun

Tuesday 7th July – Summer Fayre

Tuesday 14th July – Year 6 Leavers Performance 2pm and 6pm

Monday 20th July – Year 6 Leavers Assembly 2pm

Tuesday 21st July – School Closes at 2pm

Year 2 Yorkshire Wildlife Trip

We had a fantastic trip to the Yorkshire Wildlife park. In the morning we had an engaging workshop where we looked at different habitats. We also had the opportunity to hold a Giant snail and touch a cockroach! During the workshop we discussed different habitats and how animals have adapted to live in them. In the afternoon we explored the park and saw polar bears, monkeys, wallabies, capybaras, meerkats and much more!
