

ELEMENTS PRIMARY SCHOOL

Creative • Unique • Innovative

As the academic year 2056/2026 draws to a close I would like to thank every single member of our fabulous school community for their unwavering support. Schools, like all organisations, face daily challenges and our teams rise to these challenges every single day. Through difficult days and hours our teams demonstrate resilience, determination and above anything the compassion and kindness for our pupils. I am eternally grateful and proud of the teams I have built, nurtured and created to ensure our children receive the best possible provision every single day. Our peer reviews showcase our schools as being just that - exceptional places filled with love and kindness.

Our year 6 cohorts have certainly done us proud with some exceptional SATs results - a true reflection of their hard work and brilliant guidance from our inspirational teachers.

I am sure you will join me in congratulating them all.

As I hand over the reins at Coomb Briggs to Mr Reynolds, I am delighted to be securing my place firmly back in Leeds to continue to drive our schools to being exceptional. Over the summer please do not struggle - if you need any support please contact our office email accounts and a member of the duty team will get in touch to support you as best we can.

I hope everyone has a truly fabulous summer filled with joy and special time with family and friends.

Miss Green

Breakfast Club Places

From September, if your child attends breakfast club they will need to be booked on the Arbor app under Clubs. This is also for our 7.30am start.

We will also have the Breakfast club places open to all children from 8.15am and this will also need booking on Arbor under the clubs section.

Dates for the calendar

Tuesday 1st September - School Reopens

Monday 7th September - School Curriculum Clubs Resume

Staff News

Hello! My name is L alas, and I'm very excited to join the school as the new business administration apprentice. I bring a passion for helping people and the community to this role and I can't wait to get started and meet everyone over the coming weeks!

My name is Madia, and I am currently completing my apprenticeship in early years. I have successfully finished my first year at college and am now continuing to develop my skills through both study and practical experience.

I am excited to be working with Elements and to be part of a supportive early years environment. I am passionate about working with children and supporting their learning and development in a safe, caring, and engaging setting.

Through my apprenticeship, I am building my knowledge, confidence, and practical experience, and I am keen to continue progressing within the childcare sector as I work towards my future career goals.

Hi my name is Livia and I consider myself someone who finds the joy in the simple things—whether that's getting lost in a great book, learning something entirely new, or out walking my dogs with Taylor Swift playing in my headphones. I love the feeling of meeting new people and hearing their perspectives, but my absolute favourite place to be is surrounded by my family and friends, making memories and enjoying quality time together.
