

ELEMENTS PRIMARY SCHOOL

Creative • Unique • Innovative

It has certainly been a warm week this week. Many thanks to our entire community who have supported our pupils in this extreme heat. Managing these occasions is never easy as a school leader, but we have ensured our children are as cool as possible and that consistency and learning has been maintained.

Next week sees transition day – one of the most exciting days of the year whereby children get to spend the morning with their new teachers. This is a time to establish new relationships and connections. Our annual school reports will be sent home on Wednesday whereby you will be notified of your child's new class teacher and the support staff who will be working alongside them.

We are delighted to be welcoming a raft of new teachers to both of our settings – I am sure you will join me in welcoming them to our brilliant communities.

I hope everyone enjoys a much cooler weekend.

Take care

Miss Green

Staff News

My name is Miss Lewis, and I will be joining Elements Primary School in September as a class teacher. I am really excited to meet you all and begin a fantastic year full of fun learning together.

After teaching in London for the last 4 years, I am very happy to be returning to Leeds, where I went to university and spent several years living.

My favourite subject is Art and Design. I love colouring with markers, painting with watercolours, and being creative. I can't wait to see all of the wonderful artwork and ideas that you will share in class.

I am looking forward to getting to know each of you and having a brilliant year together!

I'm Miss Brant and I can't wait to be joining your school in September. I've been teaching in Chorley, Lancashire for 2 years in their Year 1 class. I'm now moving back to Leeds where I grew up. I have been a qualified swimming instructor for 8 years and enjoy walking, travelling and spending time with my family and friends.

My name is Miss Heald, and I am absolutely thrilled to be joining Elements. Becoming a teacher has been a lifelong dream of mine, I used to spend hours playing 'teachers' at home, so I truly feel like I am living out my dream job!

I studied at Leeds Beckett University, and this past year I have loved teaching a mixed Reception and Year One class. My favourite story is Room on the Broom by Julia Donaldson. I can't wait to share plenty of reading adventures with my new class.

Outside of school, I love staying active at the gym and going on long dog walks with my furry best friend, Alfie. I am so incredibly excited to meet all of the children and families soon, and I know we are going to have a wonderful year of learning and fun together!

Hello all! My name is Miss Bullough, and I am delighted to be joining Elements Primary School as a new Year 5 teacher.

I am passionate about helping children learn, grow, and enjoy every day in the classroom.

Outside of school, I love playing sports and regularly play tag rugby and netball. I am looking forward to getting to know all of the children and becoming part of the wonderful school community.

I can't wait to start this exciting journey and make it a fantastic year together!
