Elements Primary School - Charges and Remissions Policy December 2018

Statement of Intent

At Elements Primary School we are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. We believe every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by or invited to deliver services at Elements Primary School. We recognise our responsibility to safeguard and promote the welfare of all our pupils by protecting them from physical, sexual or emotional abuse, neglect and bullying.

At Elements Primary School we fully recognise our responsibilities for child protection. We believe staff have an important and unique role to play in child protection.

We believe:

- Schools can contribute to the prevention of abuse.
- All children have the right to be protected from harm.
- Children need support which matches their individual needs including those who may have experienced abuse.

Policy Statement

During the school day all activities that are a necessary part of the National Curriculum including Religious Education will be provided free of charge. This includes any materials, equipment and transport to take the pupils between the school and the activity.

Guidelines

1. The school will request voluntary contributions from parents for the total cost of the following:
 - a. The majority of trips and excursions.
 - b. Visitors to school who charge a fee.
 - c. The cost of resources for certain expensive activities where the end product is to be taken home and where parents have agreed in advance that they wish to own the end product.

If sufficient contributions are not received for those activities, it will be made clear via the initial contact letter that if necessary money will be returned and the activity cancelled.
Residential trips which take place will be self-funding.

2. School will charge for certain books, materials, instruments or other equipment required for clubs which take place out of school hours eg recorder clubs held after school which require children to have their own instruments and music.
3. A separate School Fund Account will be established to pay for the following:
 - a. A trip, visitor or event where the expense is minimal.
 - b. For certain class activities (e.g. "ordinary" baking) where the cost is minimal.
 - c. To assist in the payment of a trip, visitor or event which would otherwise be cancelled because up to three children per class cannot or do not bring the necessary donation.
 - d. To give the whole school a "treat" or visitor if funds are sufficient.
 - e. To give a refund if a child is ill and unable to go on a trip, visit or take part in an event.
 - f. To assist in payment for supervisory costs on trips etc.
 - g. To assist in unforeseen circumstances where the whole staff agree that there is a need for assistance

from this fund.

This fund is not envisaged as being a large source of money, but a small amount to assist in the above circumstances. It will be raised through voluntary donations and fundraising.

4. Parents will be required to make a contribution towards the cost of school equipment and books that have been taken home and are subsequently lost or damaged. Similarly, if there are breakages or damage to school property or equipment through deliberate or malicious behaviour by a pupil school will also ask for recompense. This will depend on the individual circumstances and will be left to the discretion of the Principal.
5. No charge will be made for any materials, books, instruments or equipment for educational use during school hours. However, certain items may occasionally be sold, at the schools discretion, to raise money for charity or school funds e.g. card made into greetings cards or sewing material for small gifts. The children will be informed that this is to happen at the start of the activity.
6. The school may make a voluntary fundraising request for certain non-educational, non-compulsory activities which take place during school e.g. dressing up for fun day, sale of cake or gifts, Easter eggs competitions.
7. A clothing allowance in the form of a £50 uniform shop voucher is available to families who are entitled to and make a successful claim free school meal.

Optional Costs

8. Pupils in Foundation and Key Stage 1 have access to free fruit and vegetables daily.
9. School photographs are taken annually; this is a not for profit venture.
10. School Fairs and Fundraising events take place throughout the year. Any monies raised are used to purchase resources/activities for the children.

Each pupil should bring the correct amount of dinner money in a sealed envelope, clearly marked with their name, class, and the amount enclosed. School meals can also be paid for online using Parent Pay.

Remissions

Every effort is made to minimise charges to parents. However where charges are made the Governing Body will remit charges in the following instances;

- Where the parents of a pupil are in receipt of income support or family credit, the Governing Body will consider confidential applications, made to the Principal, for the remission of charges in part or full, if the activity is deemed to take place within school hours or where it forms part of the syllabus for the National Curriculum.
- In other circumstances in which a charge would normally be levied, the Governing Body may remit charges when family hardship would otherwise make it difficult for pupils to take part in these activities. The school will work with external organisation to seek funding to assist in this.

Authorisation for remission will be made by the Principal.
